COMPLIANCE · FACILITIES · TECHNOLOGY

WHAT WE DO

Full-service community association management — so your Board can focus on *the community it serves*.

Governance & Board Support

Structured governance support through meeting coordination, documentation management, and operational guidance — aligned with the Association's Governing Documents.

INCLUDES

Board meetings · Board packets · Notices & proxies · Minutes archiving · Compliance management

Financial Management

Full accounting and financial services designed to ensure transparency, accuracy, and compliance with Association financial and fiduciary obligations.

INCLUDES

Budget development · Reserve alignment · Billing & collections · Monthly reporting · Audit & tax coordination

Facilities & Capital Projects

Proactive maintenance, vendor oversight, and capital planning that preserve asset condition, reduce deferred costs, and align with reserve strategy.

INCLUDES

Preventative maintenance · Inspections · Competitive bids · Capital planning · 24/7 emergency response

Featured Assets Under Management

GREATER SEATTLE · PUGET SOUND

OUR HISTORY

1998

Founded

Established in the Pacific Northwest as a commercial real estate syndication firm

EXPANSION

Phillips Real Estate

Acquisition broadened the portfolio to multifamily and HOA properties

PARTNERSHIP

Lee & Associates

Strategic partnership expanded capabilities and national reach

EXPANSION

MaKensay

Added downtown Seattle commercial and historic properties

TODAY

Fully Integrated

\$1B AUM and 200+ properties — management, investment, and construction

Organized governance, informed decision-making, and *continuity of records* under Board direction.

AGM attends regularly scheduled Board meetings monthly, or more frequently at the Board's request, and coordinates special meetings as needed to address operational matters, capital projects, or regulatory requirements.

We maintain familiarity with the Washington Condominium Act (RCW 64.34) and the Washington Uniform Common Interest Ownership Act (RCW 64.90), and help the Board understand its fiduciary and operational responsibilities.

STRUCTURE

Board Governance & Structure

Review of Board composition and operating procedures to ensure compliance with the Governing Documents and CC&Rs.

Board composition · Officer roles · Terms & elections · Voting practices

PREPARATION

Meeting Preparation

A regular meeting schedule and framework that supports consistent governance, with Board packets organizing updates, action items, and documentation.

Meeting schedule · Board packets · Action items · Supporting documents

MEETINGS

Board & Association Meetings

Meeting notices distributed in accordance with Governing Documents and state statutes; proxies managed and minutes archived.

Meeting notices · Proxy management · Minutes archiving

COMPLIANCE

Violations & Compliance

A structured process aligning enforcement with the Governing Documents and Washington statutes, from policy review through resolution.

Policy review · Intake · Inspection · Notices · Fines, waivers & appeals

BOARD PACKET

Agenda · Management Report · Monthly Financial Report, delivered by the 15th

COMPLIANCE PROCESS

Consistent, documented enforcement — *with the Board in control.*

Weekly compliance inspections cover front yards, visible side yards, home exteriors, and parking. Board-approved violations identified by Board members are processed under the same Compliance Policy.

01

REVIEW

Open Violation Records

An accurate picture of the active compliance pipeline between inspections.

02

VERIFICATION

Status Confirmation

After the cure period, the Board confirms whether a violation remains open or is resolved.

03

RELEASE

Compliance Notice

Upon Board approval, AGM releases notices to the Homeowner per the Compliance Policy.

04

CLOSURE

Tracking & Closure

The violation log is updated to reflect confirmed compliance or escalation.

Assessment of fines and final enforcement decisions remain the sole responsibility of the Board.

Full accounting and financial services built on *transparency, accuracy, and compliance*.

Financial Planning

Budget development, cash flow forecasting, and reserve alignment for short-term stability and long-term planning.

Financial Operations

Billing, collections, invoice processing, and vendor payments — with dollar-threshold approval tiers set by the Board.

Reporting & Records

Secure digital records, reports formatted to Board preference, and year-end coordination with the Association's CPA.

Banking & Controls

Segregated bank accounts, separation of duties, Board approval protocols, and monthly reconciliations.

MONTHLY REPORTS INCLUDE

- Balance Sheet
- Budget vs. Actual
- Check Register
- Income & Expense
- A/R & A/P Report
- Bank Reconciliation

15th

Monthly financial reports delivered to the Board via the Board Portal by the 15th of every month.

03 — FACILITIES, MAINTENANCE & CAPITAL PROJECTS

Protecting asset value through *proactive maintenance* and long-term capital planning.

Preventative Maintenance

Proactive maintenance and repair oversight to reduce deferred maintenance and unplanned costs.

Maintenance coordination · Service requests · Maintenance records

Inspections & Documentation

Regular inspections by an AGM Building Engineer, with photographic records and systems review.

Monthly inspections · Systems verification · Work order recommendations

Vendor & Bid Oversight

Bid procurement, compliance review, and performance oversight for quality and budget alignment.

Competitive bids · Insurance & licensing · Performance review

Capital Planning & Coordination

Capital plans that align reserve studies, budgets, and project needs for long-term preservation.

Multi-year forecasting · Prioritization · Project oversight

24/7

AFTER-HOURS SUPPORT

On-call emergency response, vendor dispatch, and authorized protocols per the management agreement.

Real-time visibility for the Board. *Secure, easy access for every owner.*

Board Visibility

A real-time financial dashboard and online reporting provide visibility into key activity between meetings.

INCLUDES

Financial dashboard · 24/7 reporting · Electronic approvals · Archived history

Secure Portals

Owner and Board portals that promote accessibility, transparency, and responsive communication.

INCLUDES

Online payments · Maintenance & architectural requests · Community calendar

Records & Security

Association records kept in a centralized digital system, protected by secure management platforms.

INCLUDES

Centralized archive · Access-controlled storage · Cybersecurity · Data backups

DASHBOARD METRICS

Budget comparison · Operating & reserve balances · Owner delinquencies · Maintenance service requests

05 — YOUR MANAGEMENT TEAM
