200+

PROPERTIES

1998

FOUNDED · PNW

GOVERNANCE · FINANCIAL MANAGEMENT
COMPLIANCE · FACILITIES · TECHNOLOGY

AGM HOA SERVICES

Full-service community association management, so your Board can focus on *the community it serves*.

Board Governance

Meeting coordination, documentation management, and operational guidance, aligned with the Association's Governing Documents.

INCLUDES

Board meetings · Board packets · Notices & proxies · Minutes archiving · Compliance

Financial Management

Full accounting and financial services that ensure transparency, accuracy, and compliance with fiduciary obligations.

INCLUDES

Budgets · Reserve alignment · Billing & collections · Monthly reporting · Audit & tax

Facilities & Capital Projects

Proactive maintenance, vendor oversight, and capital planning that preserve asset condition and reduce deferred costs.

INCLUDES

Preventative maintenance · Inspections · Competitive bids · Capital planning · 24/7 response

Featured Assets Under Management

GREATER SEATTLE · PUGET SOUND

Organized governance, informed decisions, and *continuity of records* under Board direction.

AGM attends regularly scheduled Board meetings monthly, or more often at the Board's request, and coordinates special meetings for operational matters, capital projects, or regulatory requirements.

We maintain familiarity with the Washington Condominium Act (RCW 64.34) and the Uniform Common Interest Ownership Act (RCW 64.90), and help the Board understand its fiduciary responsibilities.

STRUCTURE

Board Governance & Structure

Review of Board composition and operating procedures for compliance with the Governing Documents and CC&Rs.

Board composition · Officer roles · Terms & elections · Voting

PREPARATION

Meeting Preparation

A regular meeting schedule and Board packets that organize updates, action items, and documentation.

Meeting schedule · Board packets · Action items

MEETINGS

Board & Association Meetings

Notices distributed per the Governing Documents and state statutes. Proxies managed and minutes archived.

Meeting notices · Proxy management · Minutes archiving

COMPLIANCE

Violations & Compliance

A structured process that aligns enforcement with the Governing Documents and Washington statutes.

Policy review · Intake · Inspection · Notices · Appeals

BOARD PACKET Agenda · Management Report · Monthly Financial Report by the 15th

COMPLIANCE PROCESS

Consistent, documented enforcement, *with the Board in control.*

Weekly inspections cover front yards, visible side yards, home exteriors, and parking. Violations the Board identifies and approves follow the same Compliance Policy.

01

REVIEW

Open Violations

An accurate view of active compliance items between inspections.

02

VERIFY

Status Check

After the cure period, the Board confirms whether each item is resolved.

03

RELEASE

Compliance Notice

With Board approval, AGM sends notices to the Homeowner.

04

CLOSE

Tracking & Closure

The log is updated to show compliance or escalation.

Fines and final enforcement decisions remain the sole responsibility of the Board.

Full accounting and financial services built on *transparency, accuracy, and compliance.*

Financial Planning

Budget development, cash flow forecasting, and reserve alignment for short-term stability and long-term planning.

Financial Operations

Billing, collections, invoice processing, and vendor payments, with approval tiers set by the Board.

Reporting & Records

Secure digital records, reports formatted to Board preference, and year-end coordination with the Association's CPA.

Banking & Controls

Segregated bank accounts, separation of duties, Board approval protocols, and monthly reconciliations.

MONTHLY REPORTS INCLUDE

- Balance Sheet
- Budget vs. Actual
- Check Register
- Income & Expense
- A/R & A/P Report
- Bank Reconciliation

15th

Monthly financial reports are posted to the Board Portal by the 15th of every month.

Real-time visibility for the Board. *Secure access for every owner.*

Board Visibility

A real-time financial dashboard and online reporting between meetings.

INCLUDES

Dashboard · 24/7 reporting · Electronic approvals · Archived history

Secure Portals

Owner and Board portals for accessible, responsive communication.

INCLUDES

Online payments · Maintenance & architectural requests · Calendar

Records & Security

Association records kept in one secure, centralized digital system.

INCLUDES

Central archive · Access controls · Cybersecurity · Data backups

DASHBOARD METRICS Budget comparison · Operating & reserve balances · Delinquencies · Service requests

Protecting asset value through *proactive maintenance* and long-term capital planning.

Preventative Maintenance

Proactive maintenance and repair oversight that reduces deferred maintenance and unplanned costs.

Maintenance coordination · Service requests · Records

Inspections & Documentation

Regular inspections by an AGM Building Engineer, with photo records and systems review.

Monthly inspections · Systems checks · Work orders

Vendor & Bid Oversight

Bid procurement, compliance review, and performance oversight for quality and budget control.

Competitive bids · Insurance & licensing · Performance review

Capital Planning

Capital plans that align reserve studies, budgets, and project needs.

Multi-year forecasting · Prioritization · Project oversight

24/7

AFTER-HOURS SUPPORT

On-call emergency response, vendor dispatch, and authorized protocols per the management agreement.

05 YOUR MANAGEMENT TEAM

One dedicated manager, *backed by a full specialist team.*

PRIMARY POINT OF CONTACT

Property Manager

The primary contact for the Board and owners, overseeing day-to-day operations and governance compliance.

Operations Associate

Supports day-to-day operations

Construction Project Manager

Capital projects, cost control, and quality
